

JOURNEYMAN SMITH APPLICANT PERFORMANCE TEST CERTIFICATION

I hereby certify that _____ has passed all cutting tests as prescribed by the ABS. The tests consisted of cutting a one inch hemp rope, using a knife with a blade length approximately 10 inches. The test knife cut the rope with one swing at approximately six inches from the loose hanging end. The test knife cut a 2 x 4 in two twice. Upon completion, the test knife was capable of shaving hair from the Applicant's arm. The knife was then bent to at least 90 degrees without breaking, the edge being allowed to crack, but the back holding together.
